

10 Rules of Creativity

1. Don't go with the flow - create your own current.
2. Don't let the sky stop you.
3. Dare to be different!
4. Don't say it can't be done!
5. Others have good ideas, too!
6. Let your imagination soar!
7. Dare to be wacky, weird, & outrageous!
8. Anything that can be done, can be done better.
9. Explore the unknown.
10. ASK, WHY NOT!
